

# PROBLEM

Your audience is  
tuning out.

# SHRINKING ATTENTION SPANS

Studies show that 75% of your audience's attention will be lost within the first 10 minutes of a presentation.

# THE SOLUTION

PITCHPITCH CREATIVE REPRESENTATION SERVICES

NEW CLIENTS INTRODUCTION

PITCHPITCH 2026/ WORLDWIDE

# PITCHBITCH

(DEFINITION) noun:

pich/bich 

A term used to describe the most talented individuals in a creative agency whose sole responsibility is to build presentations for client pitches. They are the driving force of creative agency income with a highly technical skillset comprising of branding, 2/3D modelling, graphic design, copywriting and data visualisation.

# OPPORTUNITY

Give businesses outside of the creative sphere access to a pitchbitch and allow them to create dynamic, visually stunning, attention grabbing presentations to stop their audiences from tuning out.

# WHY

# US?

With over 10 years experience in the creative industry, we know how to deliver

# APPEARANCE

It makes an immediate impact. Shifting perspectives in an instant, grabbing attention, and leaving a lasting impression.

# ANGLE

A well-angled presentation strikes the audience with precision, hitting the right points at just the right moment, leaving clients able to resonate.

# FOCAL POINT

Where everything converges. A well-crafted presentation engages every part of the audience, capturing their attention, sparking interest and focusing the minds in the room to a single point.

# CONTENT

Clarity, solidity, density and appearance are vital considerations when creating a presentation to carrying immense energy... and delivering it effectively.
